6th March 2017

Dear Parents/Carers

Sensory Garden Project Monday 20th March 2017

With spring now upon us we are looking to give our schools Sensory Garden a 'make over' and do some additional planting. Improving the garden will provide our children with further learning opportunities and create a better environment for wildlife. In order to assist us with this project, donations of plants would be gratefully received and could be brought into school on the morning of Monday 20th March 2017. For details of suitable plants please follow this link <https://schoolgardening.rhs.org.uk/Resources/Info-Sheet/Plants-for-a-sensory-garden> Any offers to help with planting on that morning would also be welcomed, please let Mrs Derrett know if you would be free.

Easter Gardens – Monday 27th March 2017

On Monday 27th March we will all be making an Easter Garden. We will provide the foil tray and soil for each child. Please could you collect items to make this into a special Easter Garden and send into school in a named plastic bag. Ideas of items children could bring in are:

Pebbles to make paths etc

Stone to represent the tomb

Wood/twigs to make a cross

Flowers and foliage for decoration (**please check nothing poisonous!**)

Chicks etc to show new life

Shiny items for pond/water (nothing breakable please)

Other natural items

Weather permitting, we will display the gardens after school and then the children can take them home.

Thank you for your support and help with these activities.

Kind regards

J Maynard

Mrs J Maynard
