23rd September 2016

Dear Parents/Carers

As we have a child in school who suffers from a severe peanut allergy please could I take this opportunity to ask for your help? We aim to provide all our children with a safe school environment and we will therefore be adopting a 'No Nuts' policy at Burchetts Green.

A child with a nut allergy can easily react to even a simple handshake or touching of a pupil's table who may have had some nuts in their food. Therefore, in line with other local School's policies, we ask that you do not provide the following foods in your child's lunch box or as part of a snack if they are staying for a club:

- Any nuts
- Fruit and cereal bars that contain nuts
- Nutella
- Peanut butter
- Cakes, biscuits or chocolate bars made with nuts

This policy also includes any food that children bring in as contributions on Christmas party days and any other food-sharing opportunities we have, including the upcoming Macmillan Coffee Morning, and other wider school events.

If there are any issues that you feel arise as a result of this policy, please do feel free to come and see me to discuss them.

Many thanks for your support

Mrs D Sheppard
