20th June 2017

Dear Parents,

We are looking forward to holding our Prayer Week again next week, from Monday 26th to Friday 30th June. As part of this week there will be a prayer tent in the school grounds with an opportunity to engage in interactive prayer. The tent will be divided up into different areas where people can go and spend time reflecting, or taking part in directed activities individually. We will be making use of this during our RE lessons and at other points during the school day, but are opening it up for both parents and local residents to make personal use of at times when the children will not in there.

During the school day

Every day between 9 - 9.30am (after dropping children off in their classrooms) and then also from 2.30 - 3pm (but not on Wednesday due to PE lessons) you will be able to sign in with Mrs Derrett and be buzzed through the playground gate to make use of the tent for yourself. If you have smaller children who will be with you and would enjoy some time in the tent taking part in activities with you then they are very welcome, but please be aware of others who may be in the tent at the same time and would appreciate peace and quiet reflection time.

After school

There will also be an opportunity after school to take part in the prayer tent activities with your child once you have collected them. As your child will have made use of the tent themselves during the school day, please note that this after-school time is for them to take part with you rather than on their own - children will need to be supervised by their adult at all times in the tent.

We are very excited about next week and hope that you will enjoy taking part in this experience.

Kind regards,

Cat Dale

Mrs Dale
RE Leader
