7th November 2016

Dear Parents and Carers

As part of the continued improvements to our school website and with a view of showcasing all that the school has to offer, we have taken the opportunity of putting together a professional short film similar to those made at school during our Oscar's Topic last term.

We will be working with Mr Ben Bishop, who lives in the village. Mr Bishop is a professional camera man, and has generously offered to do this work as a donation to the school for which we are extremely grateful.

It is our hope that he can capture, in a short 2 minute film, all the elements that make our school such a wonderful place of learning and that he can reflect our mission statement:

Our purpose is to provide

'A happy and secure learning environment underpinned by Christian principles where everyone is valued and encouraged to achieve their full potential'

We firmly believe learning is a lifelong experience of which we are all part. Furthermore we understand that learning takes place when an individual feels happy and secure and this comes through nurturing self-worth and confidence. This ethos is supported by active engagement with our Church School Values:

*Trust, Compassion, Forgiveness, Endurance and Courage,
Peace, Reverence, Thankfulness and Friendship.'*

Mr Bishop would like to capture the fireworks event on Saturday 12th November and then during a school day he will film

- Arriving at School
- A woodland walk
- Classroom activities including ICT and the library
- Collective Worship
- Outside learning and play
- Music lessons

Additionally we would like to include some 'sound bites' from the children saying what they love about their school and also testimonials from teachers and parents.

Therefore if you would like to provide us with a short statement about Burchetts Green CE Infant School, particularly what attracted you to the school and what makes it special for you and your child, we would be very grateful. Please could you email this to Mrs Derrett?

We would like to include as many of the children as possible in our film (in a similar way to our Oscar Day films). *However if you do not wish your child's image to be part of this film which will be on the school website please let Mrs Derrett know by the end of the week.*

I'm sure the film will be delightful and will encourage those of us already at Burchetts Green as well as those who are considering their child's very first 'big school'!

Yours sincerely
