

2017/18

### *What is Sports Premium Funding?*

Sport Premium funding is a government funded payment aimed at improving and increasing the provision of PE in schools across the country.

This means that schools should use the premium to:

- develop or add to the PE and sport activities that the school already offers
- make improvements now that will benefit pupils joining the school in future years

Examples of how schools can spend this money include:

- hiring qualified sports coaches to work with teachers
- introduce new sports or activities and encourage more pupils to take up sport
- support and involve the least active children by running or extending school sports clubs, holiday clubs and Change4Life clubs
- run sport competitions
- increase pupils' participation in the School)
- run sport competitions
- Engage PE specialists to provide a wider range of sport activities for pupils

Burchetts Green CE infant School has been allocated £19,395 this year which includes addition funding for this year only.

### *How are we spending the PE funding?*

We believe PE is a hugely important part of the curriculum and we pride ourselves on offering children many opportunities to get involved in sport, both during and after school. This funding has enabled us to employ the services of outside agencies and specialist coaches to come into the school and provide High Quality PE and Sport sessions each week to all children. Our lessons include swimming throughout the year for KS1 and football and sports sessions in EYFS and KS1.

To enhance the delivery of sport have employed the services of two local company *Premier Sports* and *AJD football* as we know that the expertise, drive and energy, of the team, will allow us to deliver some of the above and, equally importantly, will provide training were needed, for teachers to enable them to become more confident in the delivery of day to day aspects of PE. This will ultimately impact the children through higher quality, sustainable PE teaching and ensure our offer to all children is fun, active and engaging.

In addition, we have used the funding to provide the children with a variety of high quality experiences and sports workshops, including Skipping Workshops and Circus Workshops. These have encouraged the children to take part in a wide range of activities and develop their skills and knowledge further.

In addition we buy into Primary PE and Sport Premium Funding (see below for more details)

### *What will the impact of this funding be for our school?*

- All pupils from YR to Y2 will receive teaching from a professional sports coach for PE and football.
- We have decided to provide the extra funding to enable our YR pupils to take part in the weekly activities. The government funding is only available from Y1.
- Pupils showing exceptional skills in an area of the PE curriculum will be provided with links to professional outside sports agencies.
- The PE lessons provide pupils with the opportunity to practice all sports skills including football, fencing, gymnastics, hockey, dance and athletic games.
- Pupils will have the opportunity to take part in a local sports event involving friendly competition between local schools.
- Pupils will have the opportunity to attend after school clubs of football and multi-sports.
- Additional funding will help support our 'mile a day' walkway and our 'walk to school Wednesdays' club which is a school and FOBGS initiative.
- Pupils will partake in other physical activities such as circus skills, orienteering and 'walk to school Wednesdays'.

We think you will agree that this funding offers many exciting opportunities that will benefit the school and most importantly the children.

#### ***Additional information:***

#### ***Primary PE and Sport Premium Funding 2017-2018***

#### ***School Sport Partnership Impact Statement***

Our school has a Service Level Agreement (SLA) with Ascot and Maidenhead School Sport Partnership (AMSSP) and we achieve the following through the services we receive from the Partnership:

***Key Indicator 1: The engagement of all pupils in regular physical activity - the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school***

- Specific activities provided within the School Sport Partnership to target non-participants, e.g. Invictus Festival (alternative games).
- New ideas and initiatives for identifying non-participants and engaging all pupils in regular physical activity are discussed and shared at Termly PE Network Meetings facilitated by the School Sport Partnership.
- We have also included our under-fives in this programme of activities

***Key Indicator 2: The profile of PE and sport is raised across the school as a tool for whole-school improvement***

- PE and sport is assessed via a Primary PE, Sport and Health Self-Review Tool which can directly feed into our school development plan.
- Annual Primary PE and Sport Premium Funding action plan detailing spend and impact is displayed on school website.

- Opportunities to promote school's PE success and development in School Sport Partnership's termly E-Newsletter 'On Track'.

***Key Indicator 3: Increased confidence, knowledge and skills of all staff in teaching PE and sport***

- As part of the School Sport Partnership, our staff have access to a Continuing Professional Development (CPD) Programme for PE based around the local needs of teachers
- Teachers develop their confidence, knowledge and skills in Dance through the Dance Curriculum Support Programme.
- The sports lead attends the Termly PE Network Meetings enable sharing of good practice and information about the latest developments in PE nationally and locally.
- Teachers have the opportunity to take part in training relevant to the school's time table and this year all teaching staff attended orientation training
- Year two teachers received support from a Specialist Dance Teacher to develop their dance knowledge and experience via the Dance Curriculum Support Programme.

***Key Indicator 4: Broader experience of a range of sports and activities offered to all pupils***

- Children are offered a range of sports and activities to take part in through the School Sport Partnership's Coaching Programme during half term blocks of coaching sessions delivered in school. Children participate in the Annual Primary Dance Festival at a central venue with 20 local schools.
- Athlete visits include coaching sessions for children and inspiring assemblies to encourage participation in sport and physical activity.
- All KS1 children practiced and then performed a dance routine to over 400 people at the School Sport Partnership's Annual Primary Dance Festival.

***Key Indicator 5: Increased participation in competitive sport***

- Children are offered opportunities to compete in a range of sports and activities at Key Stages 1 as part of the Annual Competition Calendar organised by the School Sport Partnership, with further opportunities to take part in the Berkshire School Games and link to local sports clubs.
