Dear Parents and Carers

In the past, we have asked parents and carers for voluntary contributions towards the extra-curricular activities that we run during the school year. As you know, the current financial climate is having an impact on school budgets.

We know that it is a difficult time for many people but some parents have asked about making contributions to the school.

We would be very grateful to anyone who is able to donate to our School Fund. To make your contribution, please use the bank details below.

Barclays Bank Plc
Account no. 40875589
Sort Code 20-78-58
Reference *surname/donation*

This additional money helps the school in so many ways. For example, it goes towards supporting school trips, paying for visitors to the school or funding our wonderful 'hook' days as well as larger projects.

I thank you all once again for your generosity in supporting the school financially.

Kind regards
