

Mud Kitchen!

Dear Parents,

We are updating our Mud Kitchen structure and would love some more accessories to help make it fun for the children!

If you have any old pots, pans, bowls, spoons, jars, tea/coffee canisters etc, we would love to receive any donations. We are also looking for any spray bottles or hanging pots/planters. (No glass please).

Please pass anything you have to the Tawny Owl teachers.

Many thanks!
