

Keeping children and young people safe

Our school nurses play an active role in keeping children and young people safe. We work in accordance with the Berkshire Local Safeguarding Child Protection Procedures (July 2014) to support vulnerable children and young people.

Your opinion matters

The Royal Borough of Windsor and Maidenhead is committed to providing the highest standards of care.

We welcome your views on the services we provide.

If you would like to comment, make a suggestion or make a complaint, please email or speak to the person you normally see or ask to speak to the team manager.

If your complaint is not resolved you can complete the RBWM online complaints form or contact an officer on 01628 683800.

Accessing our Service

Young people can request advice via email or leaving a message on our phone line.

For professionals such as schools, please refer via the [Early Help Request form](#) on the [RBWM Local Safeguarding Children's Board \(LSCB\) website](#).

School Nursing Service

Supporting children & young people locally

To get support and advice please contact:
school.nursing@rbwm.gov.uk

Our School Nurses look after the health and well-being of children attending a maintained, academy or free school in Royal borough of Windsor & Maidenhead (RBWM).

We are here to give confidential advice and support to children, young people and their families.

The School Nursing Service consists of Specialist Practitioners, Staff Nurses and School Health Screeners.

What we do

We:

- Take over from the Health Visitor on your child's 5th Birthday.
- Provide training to school staff on managing children's medical conditions in school.
- Support healthcare planning for children with medical needs.
- Inform children and young people who have additional health needs about healthcare services that are available to them and refer them to services if needed.
- *Run clinics to support parent/carers of children and young people to manage night-time bedwetting.
- Offer schools advice and support in relation to all health matters.

**Referrals to the bedwetting clinic need to be made by your GP.*

In primary schools we:

- Weigh and measure children at school entry and in Year 6 as part of the National Child Measurement Programme. We can support and advise children and families on weight management.
- Perform vision screening at school entry.
- Offer hearing checks if there are concerns.
- Offer advice and support to children and their parents on a wide range of health related topics.
- Promote good health and well-being for school children.
- Offer targeted health promotion to meet Public Health needs.

In secondary schools we:

- Offer one-to-one confidential advice, to which young people can self-refer. We can advise on diet, exercise, smoking, their emotional health, healthy relationships and sexual health.
- Offer targeted health promotion to meet Public Health needs.
- Work alongside other agencies to help them understand the health needs of your child.
