

BURCHETTS GREEN CE INFANT SCHOOL
SPORTS PREMIUM FUNDING
2025/2026

Total amount allocated for 2025/26	£16,360
Carry forward	£0
Total amount allocated for 2025/26	£16,360

SPORTS PREMIUM KEY INDICATORS

1. The engagement of all pupils in regular physical activity – Chief Medical Officers guidelines recommend that primary school pupils undertake at least 30 minutes of physical activity a day in school
2. The profile of PE and Sport being raised across the school as a tool for whole school improvement
3. Increased confidence, knowledge and skills of all staff in teaching PE and sport
4. Broader experience of a range of sports and activities offered to all pupils
5. Increased participation in competitive sport

Intention	Key Indicator(s)	Implementation	Impact	Cost	Next Steps
As our children leave in close proximity of the River Thames, we want them to leave BGIS as competent swimmers.	1 2 3 4 5	Children in KS1 take part in weekly swimming lessons at the Leisure Centre – taught by professional coaches and observed by school staff.	Children at BGIS are given opportunities that exceed the requirements of the National Curriculum for Key Stage 1. This exceptional provision ensures our children are given essential skills for life.	£2000	Continue to evaluate the effectiveness of these sessions. Implement explicit Water Safety lessons in 2025/2026
We engage a professional coach to teach our children a variety of sports as part of their weekly PE lessons	1 2 3 4 5	Children in all classes take part in weekly PE lessons with a professional coach. These lessons are planned and assessed by the coach and sessions are supported by school staff – who use the opportunity for Professional Development	Children at BGIS have access to high quality PE lessons which include competition and a variety of skills practice.	£7000	Evaluate the progression of skills across the three year groups. Use the Premier Sports Assessment resources to measure progress the children make in PE
We engage a second professional coach to teach	1 2	Throughout the year, all children will take part in football sessions	Children at BGIS have access to a second high quality PE session	£1600	Continue to work with the football coach to discuss

our children football as part of their weekly PE provision	3 4 5	with a professional coach. Children in FS2 have weekly sessions for the duration of the year, while KS1 have lessons during the spring term (when they are not swimming). School staff use the sessions as a Professional Development opportunity.	as week, which exceeds the expectation for this age group/		extracurricular opportunities. Could we start a football team?
We offer a range of extracurricular clubs (Street dance, Football, Hockey, Multi sports)	1 2 4 5	The extracurricular clubs are offered to all children throughout the year. These clubs happen at lunch times and after school. They provide opportunities for children	Children at BGIS have access to a wide range of activities, led by professional coaches and using their familiar environment.	£500	Continue to provide a variety of activities for the whole school. Look at what other physical activities might be available.
We hold an annual competitive Sports' Day	2 4 5	Sports' Day is held at a nearby school so the children gain experience of being in a larger sporting environment. They compete against each other to earn medals and a house trophy.	Children experience a competitive sports' day, which encourages them to do well as well as performing to an audience	£150	Look at ways of extending the relationship with the school – look for opportunities to hold competitive events throughout the year.
We ensure additional staff are on duty at lunch and playtimes to support the children with their play	2 3 4	Additional staff supervising the children at playtimes are available to support the children with their physical activity	Children are supported to be physically active and are led in games as well as shown how to use the playground resources	£2000	Investigate opportunities to provide staff with training for supporting children with their play.
All KS1 children take part in a Daily Run on the school playground	1 2 3 4 5	The Daily Run (Brain Break) allows the children to transition from one activity to another.	The run provides the children an opportunity to run off some energy and allows them to reset ready for the next cerebral task.	£130	Continue to value the importance of the daily run. Involve the School Council in ways of raising its profile in school.
We continue to develop the environment and resources (including use of an open grassy space next door to the school)	1 2	Playground markings including the 'running track' are maintained so that they encourage physical exercise	Children at BGIS have opportunities for physical activity during their playtimes	£1000	Audit resources and ensure they are fit for purpose. Maintain the playground markings

We encourage children to walk to school as much as possible	1 2 4	As well as other walk to school incentives, we have a weekly woodland walk. Staff meet the children 1.4 miles from the school and walk together with parents to school.	Children and parents are given an opportunity to take part in physical activity before the school day. It ensures they arrive at school ready for the day ahead.	£500	Extend this opportunity and increase the number of days we walk to school.
Our Subject Leader will play an active role in local network meetings for PE staff	2 3 4	PE subject leader will attend ODST PE Network meetings every term. This may also include some Professional Development opportunities	Staff are kept up to date with any relevant changes to the curriculum. This continuous dialogue with other schools in the MAT also helps to ensure practice is current and relevant.	£1480	Ensure subject leader time to communicate with the professional coaches and support other members of staff with physical activity.
